LB 308
LR 252

SPEAKER BAACK: Thank you, Senator Hefner. Senator Schmit.

SENATOR SCHMIT: Mr. President and members, I rise to join my colleagues in expressing my condolences to the Moyer family. Mr. Moyer was, as was indicated, an institution in himself. As Cap Dierks said, it was a real experience to do business with him. I recall one of those dark years, in the eighties, when his savings and loan was the only institution of its kind in Nebraska that showed a profit. And I visited with him, and he said, Loran, we are not in business to lose money, we are in business to make solid loans and to make money, and that's what this institution will continue to do. And I visited with him several times just recently, he is a man who will be long remembered and certainly served as an example for all of us and for many generations to come. And I want to say that his son, George Jr., who we call Pete, is an excellent gentlemen also, and I'm sure will continue that tradition of the Moyer family. Thank you very much.

SPEAKER BAACK: Thank you, Senator Schmit. Any other discussion? Seeing none, Senator Peterson, do you wish to close? Waives closing. We will now vote on LR 252. All those in favor vote aye, opposed vote no. Have you all voted? Record, Mr. Clerk.

CLERK: 29 ayes, 0 nays, Mr. President, on adoption of the resolution.

SPEAKER BAACK: LR 252 is adopted. We will now proceed to Item 6 on the agenda, as you will note on the agenda we will only be working on this for a half an hour, until ten o'clock. So we will proceed with LB 308.

CLERK: Mr. President, 308, no E & R amendments. I do have amendments from Senator Warner. Senator, I have a note that AM2883 is to be withdrawn. That's the...

SPEAKER BAACK: Senator Warner.

SENATOR WARNER: Yes, would ask that withdrawn, and the one I...I believe it's in the Journal, it was filed yesterday.

CLERK: Mr. President, Senator Warner would move to amend with AM2955, found on page 1116 of the Journal.
